General Meeting

There will be a pre-meet general meeting in the Conference Room on Wednesday July 17th at 4pm. All final meet decisions will be communicated at this meeting. Coaches and teams are accountable for the information presented. Accordingly, coaches should ensure that their club is represented at this meeting.

A cell phone number will be requested from every team at this meeting. It will be used to inform coaches when their swimmers are scratched into a prelims/finals event and to request confirmation of the swim. However, coaches are always responsible to check their swimmers' statuses before leaving the facility.

Meet Format

The meet will be swum with circle-seeded preliminary heats in the morning sessions with C-Final (18 & Under only), B-Final, and A-Final (in that order) heats in the evening sessions, unless otherwise noted. All relay events, and the 800 and 1500 freestyle events, will be swum as timed final events.

Should there be more than 600 swimmers (not counting relay-only swimmers) in the meet, this will be adjusted to 4 finals, in which case the D-Final will be 18 & Under swimmers only.

DISTANCE FREESTYLE

Positive check-in is required for all 800 and 1500 freestyle events. See *Scratches* section for instructions.

Thursday events (W 800, M 1500) will swim at prelims with the fastest heat of each event in the finals session. All other heats will swim after the slower heats of the 200 freestyle relay, fastest to slowest, alternating genders. The fastest heats will swim in numerical order at finals.

Sunday events (W 1500, M 800) will swim at prelims with the fastest heat of each event in the finals session. Athletes may elect to swim in the preliminary session at positive check-in on Saturday. Slower heats will swim in the afternoon so that the second fastest men's heat is timed to end at 4:30pm. Heats will swim slowest to fastest, alternating genders such that the second fastest men's heat is the last to swim. The fastest heats of swimmers who did not indicate an "early swim" preference will swim at finals in numerical order.

All swimmers in the early heats of distance events must provide their own timers and counters.

RELAY EVENTS

Positive check-in of all relays is required before the scratch deadline the previous evening. **Relays that are not checked-in by the deadline may be seeded in the slowest heat, time permitting.**

Slower heats of relays will swim in the morning prelims session, slowest to fastest. The fastest two heats of each relay will swim in the evening finals session.

Each team is permitted an A and B relay only in each event.

Swimmers may only compete on one relay team per relay event, either the A relay or B relay, but not both. Each relay must have at least one swimmer who qualifies and competes in at least one non-bonus individual event.

Coaches will be provided with forms for relay names. They will be available at the pre-meet General Meeting and in the Control Room throughout the meet. Relay names must be turned into the Control Room at least one hour before the relay swims but may be changed up to the time of the swim.

Sunday Relays (400 Medley Relay) Any relay that wishes to swim in the preliminaries session on Sunday may do so. All Sunday relays will be asked to indicate a preference for preliminaries or finals at positive check-in on Saturday. The fastest two heats of relays that wish to swim during the evening finals will swim then. All other Sunday relays will swim during the Sunday morning preliminaries.

A/B FLIGHT FORMAT

Depending on the number of entries, and at the discretion of the Meet Referee and Meet Director, the preliminary sessions may be conducted in an “A/B flight” format. If adopted, details of this procedure, including the number of heats of each event to be swim in the “A flight” will be announced at the General Meeting.

FLYOVER STARTS

Flyover starts may be used at the discretion of the Meet Referee during all preliminary sessions. This information will be communicated to coaches at the General Meeting.

Scratch Procedure, Positive Check-in, and seeding

NCR duplicate scratch forms will be provided to coaches. They will be at the registration table until the General Meeting. They will be at the General Meeting, then afterwards will be in the Control Room for the remainder of the meet.
